**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

The weather is getting great for golf. Make it a goal this year to get a friend to play.

Don't forget to wear sunscreen SPF30+ (available in the Pro Shop).

Watch out for snakes. The warm weather is already bringing them out.

Reminder: you can record 9-hole scores in the handicap computer.

Please pair up and do not take extra carts. Against policy.

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

We will be doing a conventional core aeration April 22-23. We will do the front nine on Monday and the back nine Tuesday. Please contact the Pro shop for any changes that may happen.

Thankfully it dried out in March. Unfortunately, it was almost too dry and our morning temperatures were cold. These conditions along with spraying herbicides have left the turf a little off color. No need to worry though, as soon as we warm up (morning temps.), get a little rain and fertilize the color of the turf will bounce back.

We want to thank you for helping us out when it was wet by staying on the cart paths. Your cooperation and encouraging words help keep us motivated to make Cypress Lakes a fun place to play golf.

Andy

Turf Tip of the Month

When temperatures stay in the mid 60's for lows it is time to start fertilizing warm season grasses. This is also time to treat for fire ants and mole crickets.

Andy

Golf Humor:

Golfer: Please stop checking your watch all the time, it's distracting!

Caddie: This isn't a watch, sir, it's a compass.

Pro Tip of the Month

I have always said that holding your swing follow-through fixes a lot of bad habits without having to think about it (balance & rotation are the two main ones). It also applies to your putting stroke. Try holding your follow-through with your putter for at least 2 seconds. This also helps if you have the yips.

Good Luck! John
