Transition is complete on putting greens. We will continue periodic verticutting and light topdressing throughout the Bermudagrass growing season to ensure quality playing conditions.

Torpedograss, Goosegrass, Crabgrass and Nutsedge are the weeds we are in the process of controlling. Herbicides used to control these weeds will cause some temporary yellowing to Bermudagrass. Expect this yellowing on the greens, fairways, tees, green and tee slopes over the next few weeks as we attempt to eliminate weeds.

If you have comments or suggestions, feel free to stop by the office or call me at (850) 937-3887. My doors are always open and I look forward to hearing from you soon.

Turf Tip of the Month

As we approach the “dog days” of summer, you may notice your lawn is under stress. Raising the mowing height is a great tool to allow the turf plant every opportunity to deal with stress and recover.

Pro Tip of the Month

It's HOT!!

If your hands sweat a lot you probably wear a glove. To prolong the life of your gloves and for better performance, alternate them between holes. Never wear a glove for two holes in a row. In this heat, I rotate 3 gloves during the round. The gloves dry out before rotated back in to play. Your gloves will last longer and perform better.

DO NOT leave your clubs in your trunk during the summer. The trunks get so hot that it can ruin your grips and it could also loosen the heads of your clubs.

Try these tips and I promise they will help your game.

Visit Our website:

www.cypresslakesgolfclub.net

and you will find a library of past newsletters with monthly tips.

Good Luck! John

Do you want to enjoy golf more???? Get a golf lesson.

- #3 tee: 200-224 yard avg. drive
- #4 tee: 175-199 yard avg. drive
- #5 tee: 150-174 yard avg. drive
- #6 tee: 125-149 yard avg. drive

Etiquette of the month

Repair your ball mark +1.
This helps everyone.

Tee it Forward!!!

More golf humor?

Q: How do you like my game?

A: Oh, it's a great game, but personally I prefer golf.

Rule of the Month 2019 Rule Changes

NEW RULE: The player will be allowed to touch or move loose impediments in a bunker and generally allowed to touch the sand with a hand or club

Old Rule: You could never touch the sand prior to impact with your club and you could not remove loose impediments

Rule: 12.2a and 12.2b

NEW RULE: Player will have an extra option allowing relief outside the bunker using the back-on-the-line procedure, but for a total of two penalty strokes

Old Rule: This was never an option

Rule: Rule 19.3b

I will continue with these new rules until they are all covered.
