We had a first this year in my Summer Junior Program. This is going to make a lot of you very jealous. We had an eleven year old young lady make a hole-in-one on #4. Mikayla Thrasher aced it using her driver from 100 yards out. She just recently started. A feat that many have yet to achieve even after playing 60+ years. Congratulations and welcome to the club Mikayla.

I want to congratulate my PGA Junior League team. They won their last four matches, qualifying them to play in the Championship on August 11th at Pensacola Country Club. They dug themselves in a hole by losing their first match but will hopefully get revenge in a couple of weeks.

My 2021 PGA Jr. League Team

Jackson Caddell (11)
Ethan Conner (13)
Lilly Day (12)
Colton Eden (8)
Leland Rains (8)
Landon Ray (13)
Jayden Sexton (10)
Baylor Touchstone (12)
Abby Vernier (13)
Walter Wilhelm (12)

Wish them good luck if you see them out practicing.

Superintendent: Andy Woolston**

We are excited to see what we will be dealt this month. I was starting to think we would never see a day without rain. Fortunately we have dried out and somewhat caught up with mowing. We still have new tee construction and bunker renovation projects planned, if we have good weather. We will also be doing late summer preemergent herbicide applications to minimize Poa annua and other winter weeds.

I want to publicly thank the maintenance crew that I have the privilege to lead. They get up early and work in some very uncomfortable conditions. Thank you to the ones who go out of your way to compliment their efforts. We are blessed to have a special group of golfers who call Cypress Lakes their home course. You are why we do our best to make Cypress Lakes a fun place to play.

Agronomy Tip:

Now is the time to start planning on fall preemergent herbicide for the fall. As we get to the end of the month you will want to stay away from high nitrogen fertilization and go with higher P&K rates.

Andy

Chipping tip:

Make sure your hands are ahead of the clubhead at impact. To check it, hold your follow through and see if the clubhead is pointing to the ground and behind your hands.

Rule of the Month

Question: I chunked my chip shot, then I flinched and accidentally double hit the ball. I heard there is not a penalty for this any more. Is this correct?

Answer: That is correct. You just play the ball were it ended up. No penalty

Rule: 11.1a

Good Luck! John

Golf Quote

“Golf is assuredly a mystifying game. It would seem that if a person has hit a golf ball correctly a thousand times, he should be able to duplicate the performance at will. But such is certainly not the case.”
