**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

If your GHIN account is not working, don't forget to renew your \$20 annual subscription.

If you receive a notification about your dues, it is probably due to your credit card not being updated in the new POS system.

Spring League begins March 16th. The two person, 5pm start, Thursday 9-hole scramble has become very popular. We are allowing our members a two week head start beginning Feb. 1st to sign up. We will open it up on February 15th for outside players. Don't forget you **MUST** have a GHIN handicap to participate, otherwise you will receive a 0 hdcp for the first two weeks.

Rule of the month:

Question: What are my options for an unplayable lie?

Answer: Option #1...2-clublengths from the spot of the ball no nearer the hole.
Option #2...Keep the spot of the ball and go back in direct line of the pin as far as you want.
Option #3...Go back to where you hit the original shot.

Add a 1-shot penalty

(note: you cannot take an unplayable lie in a penalty area)

Rule: 19.2

(NEW) Friday Dogfight

Play in your regular group

\$3 entry fee

(payout in shop mdse credits)

(MUST HAVE A GHIN HDCP)

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

There are several improvement projects that will be starting this month. We will be removing some of the old asphalt cart paths and replacing them with concrete paths (#1, #8, #16, #17). We will also be installing a concrete pad for the golf mats on the back of the driving range tee. This will eliminate the indentations in the mats caused by usage. Thank you to the those that have used the mats as they are meant to be used. It is very discouraging to see all the divots taken around the mats. I know we all would prefer not to use the mats but please only use tees in the grassed areas around the mats. Due to the influx of play, to sustain a quality driving range tee, the use of mats during the winter months is now a necessity.

We also plan on more bunker renovation and ongoing drainage work. Thank you for your understanding as we make these improvements.

Turf Tip of the Month

Now is the perfect time to get ready for the upcoming growing season. It is pruning time for most trees and bushes. Get soil samples sent in if you have not already done so. Start applying pre-emergent herbicides to control crabgrass. 0-0-7 with Prodiamine is a good example.

Our Tee Guidelines:

#1 tee: 250+ yard avg. drive

#2 tee: 225-249 yard avg. drive

#3 tee: 200-224 yard avg. drive

#4 tee: 175-199 yard avg. drive

#5 tee: 150-174 yard avg. drive

#6 tee: 125-149 yard avg. drive

Always play READY GOLF.

Pro Tip of the Month

Do you know the USGA guidelines when entering your scores?

You should always enter your score the day you play. There may be adjustments due to playing conditions. If you wait, you will not receive any adjustments.

Always input your score, no matter what it is.

The maximum score per hole you can enter is a double bogey **PLUS any handicap strokes** you get on each hole.

For example: If you are a 10 handicap, the maximum score you can get on handicap holes 1-10 is a Triple Bogey and the maximum score you can get on handicap holes 11-18 is a double bogey. If you are a 22 handicap, the maximum score you can get on handicap holes 1-4 is a quadruple bogey and the maximum score you can get on handicap holes 5-18 is a triple bogey. Leave it to the USGA to further complicate things. If you still are confused, don't hesitate to swing by my office and I'll go over it with you.

John

LGA Wednesday Play Day

T's & F's
1st Ava Rich, 2nd Paula Austin, 3rd
Sandy Cowling

"Odd Holes"
1st Ava Rich, 2nd Ann Gauldin

Check-in by 8:00am
