**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

Every ten years the USGA requires golf courses to get rerated. Some of you may see a change in your handicaps. The ratings stayed pretty much the same as it is based on distances but the Men slopes changed a little (Women slopes did not change much):

Men:

#1 tees went from 120 to 123

#2 tees went from 114 to 120

#3 tees went from 109 to 114

#4 tees went from 108 to 112

Women:

#4 tees stayed the same at 114

#5 tees actually went down from 105 to 102

I always felt the last slopes were too low for the men. I'm glad they have been adjusted as these numbers better represent our course difficulty.

Don't forget to reactivate your Annual GHIN handicap.

All handicaps go inactive January 1st and can only be reactivated by paying the \$20 annual fee.

Happy New Year! Thank you for your support and encouragement this past year. We hope you are well and ready for the adventures that this year will bring. This is the time of year we focus more on projects like drainage, lake banks, tee boxes, cart path edging, and etc. Enjoy the new practice bunker, please rake after finishing your session. We will be spraying herbicides for weeds and doing annual maintenance on equipment.

Thank you again for your support as we do our best to make Cypress Lakes an enjoyable place to play golf.

Turf Tip of the Month

January is a great month to get soil testing done. Any good interpretive program begins with testing. When a doctor evaluates a patient, he always runs medical test before making a diagnosis. It should be no different with your soil. Soils need the right balance of nutrients to provide the optimum soil environment to allow for the proliferation of beneficial microorganisms. When soils are healthy the turf is better able to absorb the right nutrients and withstand stresses. Your county extension office can help with soil testing information.

Andy

Rule of the Month

Question: My ball hit my playing partner's club that he had placed on the green.

Who is penalized?

Answer: Neither, no penalty and play the ball where it lies as long as it was accidental.

Rule: 11.1a

Good Luck! John

Pro Tip of the Month

Want to be more consistent, keep your spine angle constant until impact. If you want to see how much you are moving, take practice swings with your shadow in front of you. You will be surprised how much you move. Rotate the body, don't slide the hips.

Good Luck!!!

John
