**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

The range targets finally arrived. Hope you enjoy them. I would like to hear your feedback.

The golf carts are showing their age. Our new carts were supposed to be in this Spring but due to back orders and supply issues, our delivery date has been pushed to this Fall. I'll keep you updated as we get closer.

TEE TIMES: Please remember tee times are not always automatically rolled over. Make sure you confirm your next week times and please do not assume the Pro Shop does it. You can make times up to two weeks in advance. Please call us if you cannot make your time, even if it is earlier in the day. Please check in at least 10-15 minutes prior to your time. You now need a receipt for the starter.

Callaway Fitting day is July 16th. Special pricing will be available. Call me to make an appointment. 850-937-3821.

Happy 4th of July!!

Always play READY GOLF.

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

Summer is on and it's time to grow grass. We will be aerifying our greens on the 11th and 12th. We should recover quickly this time of year. We will also work on aerifying tees this month. If we have enough help and the weather holds out we are hoping to start back on an improvement project.

Please remember that carts are always to be kept on paths around tees and greens. When we are "Cart path only", where there are no cart paths, select a rough and stay on it for the entire hole. Do not cross the fairway. Thank you for your support as we do our best to make Cypress Lakes a fun place to play golf.

Turf Tip:

Keep yourself and your turf hydrated. Irrigate heavy but less often opposed to light and every day.

Rule of the Month

Know our Local Rules:

You get a free drop if you hit it over #9 green. If your ball finishes in the cart staging area, you get a free drop to the right of #1 tee or by the flag pole, which ever is closest.

Annual Tee Sign Sponsorship

\$400.00

(Includes Professional Sign)

Pro Tip of the Month

(oldie but goodie)

***How to
Repair a Ball Mark***

A ball mark repair tool is recommended, but other pointed devices can be used (tee or knife). Push don't pry, starting from the back and sides, gently push and stretch the turf to the center of the mark. Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly. Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

Let's keep our greens in great shape.

Etiquette of the month

Keep the carts on the paths around the greens and tees. We all want to chip and pitch off nice fluffy grass. Cart traffic flattens the turf.
