**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

Our 1st Inner Club Jr. Golf League was not lacking in excitement. The Sharks and Mavericks found themselves tied after 5 rounds taking the best 4 of 5 scores per 9-hole round. To determine the Champions, we had a playoff starting on hole #17.

The Sharks managed to make 2 pars and 2 bogeys to edge the Mavericks for the victory. Jack Wallace was our Individual Medalist averaging 39 over the five rounds and the winner of the Skill Challenge.

Congratulations!!!

Sharks: Sydney Lane, Talia Smith, Jacob Daw, Jacob Drysdale, Caden Pocopanni

Mavericks: Jack Wallace, Trent Callahan, Landon Ray, Baylor Touchstone, Lilly Day, Aiden Maher

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

We will aerify our greens June 1st and 2nd. We have three new pieces of equipment which include a topdresser, brush, and roller. This will help us be more efficient with this process.

After we finish with the greens, tees are next on the list to get aerified. It is still our intention to renovate some of the tees and bunkers when we recover from aerification.

Thank you for your patience and support as we try to make improvements to our golf course.

Tip of the month

Try to mow no more than 1/3 of leaf tissue at a time. This may require multiple mowings per week. Remember to keep your mower blade sharp.

Andy

Golf Humor

Reverse every natural instinct and do the opposite of what you are inclined to do, and you will probably come very close to having a perfect golf swing.

Ben Hogan

Rule of the month:

Question: My ball is in a penalty area with a pine cone behind it. Can I move the pine cone?

Answer: Yes you can (new rule for 2020)

Rule: 15.1a

Pro Tip of the Month

Summer time heat can be very hard on your clubs if you keep them in the trunk of your car or in your garage. The temperature gets so hot that it actually can melt the glue that holds on the head. This can cause the head to fly off or become loose. The heat is also not good for the grips causing them to melt and rub off on your glove or hands. This will seriously shorten the life of your grips. With this said about grips, I will continue my grip special in June.

***Last month for
15% off grips.***
(\$3/grip installation charge)
