Our Inner Club Jr. Golf League had many weather issues but we got it in. The Sharks had a fantastic final round and took the Championship. Our Low medalist honors ended up as a tie as it came down to the last hole between Baylor Touchstone and Abby Vernier.

The Parents/Adults ended up winning the end of league Juniors vs Parents/Adults Challenge. Another very tight match that also came down to the last hole. A fun day that ended up with pizza and awards.

Jayden Sexton received the Most Improved Junior as he went from shooting 58 in his first match to a personal best 43 in the final match at Pensacola Country Club, proving that practice does make a difference.

**Sharks:** Baylor Touchstone, Jayden Sexton, Landon Ray, Leland Rains, Walter Wilhelm

**Mavericks:** Abby Vernier, Ethan Conner, Lilly Day, Jackson Eggart.

***Congratulations!***

**A word from your Golf Course  
Superintendent: Andy Woolston**

[andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

We are starting out this month fully staffed. That is something to be thankful for. We are still in the training phase with most of the crew, so we ask for your patients if a few things get missed or skipped.

May was a mild month with few hot days. This has the turf still transitioning from cool season to warm season grasses. By the middle of this month the bermuda grass should be filling in much better on our tees and greens. We will try to speed this up by verticutting and topdressing.

Thank you for your support.

**Tip of the Month**

Treat for summer annual weeds, Keep mower blade sharp, and ask if you have any questions.

**Golf Humor**

Reverse every natural instinct and do the opposite of what you are inclined to do, and you will probably come very close to having a perfect golf swing.

### Pro Tip of the Month

Summer time heat can be very hard on your clubs if you keep them in the trunk of your car or in your garage. The temperature gets so hot that it actually can melt the glue that holds on the head. This can cause the head to fly off or become loose. The heat is also not good for the grips causing them to melt and rub off on your glove or hands. This will seriously shorten the life of your grips.

and you will find a library of past newsletters with monthly tips.

**Good Luck! John**

### Rule of the Month

**Question:** As I was teeing off, my ball fell off the tee. I couldn't stop my swing so I hit the ball. Is there a penalty?

**Answer:** There is no penalty but the stroke does count.

**Rule:** 11-3

**Good Luck! John**
