Colton Eden (235)

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

Another summer is here and it's time to grow grass. By the middle of this month the bermuda grass should be filling in much better on our tees and greens. We will try to speed this up by verticutting and topdressing. Thank you for your support as we do our best to make Cypress Lakes a fun place to play golf.

Please remember that carts are always to be kept on paths around tees and greens. When we are “Cart path only”, where there are no cart paths, select a rough and stay on it for the entire hole. Do not cross the fairway. Thank you.

Tip of the month

Keep yourself and your turf hydrated, treat for summer annual weeds, and keep your mower blade sharp.

Upcoming Maintenance:

Green verticutting and top dressing
Monday & Tuesday
June 6th & 7th
Back 9 on the 7th
Front 9 on the 8th

Rule of the Month

Know our Local Rules:

On or over the entrance road, even if the ball comes to rest on the golf course is
Out of Bounds.

Pro Tip of the Month

(oldie but goodie)

It's that time of the year.

If your hands sweat a lot, you probably wear a glove. To prolong the life of your gloves and for better performance, alternate them between holes. Never wear a glove for two holes in a row. In this heat, I rotate 3 gloves during the round. The gloves dry out before rotated back in to play. Your gloves will last longer and perform better.

DO NOT leave your clubs in your trunk during the summer. The trunks get so hot that it can ruin your grips and it could also loosen the heads of your clubs.

Try these tips and I promise they

will help your game.

Good Luck! John
