dues are now
past due.

Covid-19 Update:

We will continue to do what is recommended by the Federal Government, State Government, & CDC while operating until restrictions are lifted.

- Social distancing of 6' in the Golf Shop and on the back porch.
- No more than 3 customers in the Pro Shop at one time.
 - Wash & sanitize hands frequently
 - Do not touch the Flagstick
 - Do not touch other's clubs
 - No handshakes before, during, or after round
 - DO NOT come to golf course if feeling sick
 - Do not hang out in the Pro Shop

Note: We have removed all rakes, ball washers, & water jugs.

To help stop the spread we do our best to:

- Sanitize most frequently touched surfaces on the hour
- Wash and sanitize golf carts & keys before passing out
 - Sanitize restrooms on the hour
- Allow 1 Cart per person with one exception: If you live together, you can ride together.

Please do your part by bringing and using your own sanitizers and wipes.

We are all in this together and the more each of us can do to stop the spread the sooner we can get back to normal.

Reminders:

- We are crazy busy these days as everyone is aware. Please have patience with the staff as we are doing our best to accommodate everyone wanting to play. Under Normal circumstances "Walk-ins" are never a problem. It can be with today's temporary new norm, especially in the afternoons. If you know you are coming to play, call us and get a tee time 850-937-3820. We never want to tell anyone they can't play or can't have a cart. REMEMBER...Those with tee times have priority to those that do not.
- The golf course is taking a hit in wear and tear from all the golf carts in use due to the 1 person/cart rule. PLEASE, keep the carts on the paths around tees and greens.
- Due to the increase in play, our Marshals are having to spend more time at the 1st & 10th tee. If there is a problem on the course call the Pro Shop and let us know so we can send someone out there to handle it. We can't fix it after the round.

A word from your Golf Course
Superintendent: Andy Woolston
andywoolston@cypresslakesgolfclub.net

We hope everyone of you are doing well
as we come out of the stay at home
shutdown. We fared much better than
many other places in the U.S. Please
continue to practice healthy
distancing/preventative measures.

May is when we transition from cool
season grass (overseed) to bermuda
grass. Our fertility rates will increase
during this time which will result more
growth and slower green speeds. We will
attempt to minimize this with verticutting,
light topdressing, and rolling.

Thank you for your support as we do our
best to make Cypress Lakes a fun place to
play.

Tip of the month:

With higher temperatures and hopefully
a little rain, your lawns should start to grow
more. Don't forget to keep your mower
blade sharp.

Upcoming Maintenance:

Green Aerification
June 1st & 2nd

(Only 9-holes will be open each day)

Golf Humor

The reason a pro tells you to keep your head down is so you can't see him
laughing. ~ Phyllis Diller

Rule of the month:

Question: I hit a tree with my ball and it came back and hit me on the leg. Am I
penalized? Do I have to replay the shot? Where do I play it from?

Answer: No penalty. Do no replay it. Play it from where it lies,

Rule: 11.1a

Pro Tip of the Month

Chipping tip:

Make sure your hands are ahead of the clubhead at impact. To check it, hold your follow through and see if the clubhead is pointing to the ground and behind your hands.
