On behalf of myself, staff, & Board of Directors, I want to thank all of you who supported this year's MEGA Raffle. Congratulations to Jeff Pomeroy for winning the grand prize and all the other winners.

Team Cypress did it again!!!

My Junior League Golf Team squeaked out a victory by 1 shot in the Emerald Coast Junior Golf League Fall Session.

That gives us a clean sweep in 2018. We blew away the competition in the Spring Session, came from behind in the Summer Session to make it to the Championship where we played our best golf of the year in a blowout victory against our Alabama opponent, and came from behind for a 1 shot victory Sunday. I couldn't be more proud of a team. They learned that every shot counts and short game wins or loses championships. We start back up in the Spring and I have the utmost confidence we will have another successful year.

Turf Tip of the Month

It is nearing time to put your mowers away for the winter. Be sure to fill the fuel tank and use a fuel stabilizer. This will prevent moisture from collecting and ensure longer engine life. Clean your mowers thoroughly to remove all clipping debris and buildup. Moisture collects in the buildup and causes mower decks to rust. During the winter months, sharpen mower blades and coat with a light film of oil to prevent rust.

More Golf Humor!

Brand new golf balls are attracted to water and the power of the attraction is in direct proportion to how much the balls cost.

Pro Tip of the Month

When putting, you should concentrate on the arc of the putt or (break of the putt). After you read the break, align yourself up with the high point of the arc and stroke towards it. Most people read the putt and then concentrate on the hole and not the break.

Try this and you will hit the hole more often and miss more on the high side opposed to the low side.

Try these tips and I promise they will help your game.

Visit Our website:

www.cypresslakesgolfclub.net

and you will find a library of past newsletters with monthly tips.

Good Luck! John
