**A word from your Golf Course  
Superintendent: Andy Woolston**

[andywoolston@cypresslakesgolfclub.net](mailto:andywoolston@cypresslakesgolfclub.net)

I feel like October went by way too fast. There always seems to be more things to do than we are able to get done. We did manage to get started on overseeding our tees and hope to complete overseeding the greens the first week of November.

This should be another great month for golf with mild temperatures and bluebird skies. Some of the mornings may be a little chilly and there may be the chance for frost. Please be patient if we do happen to have a frost delay. We will communicate with the pro shop to get play started as soon as possible.

Thank you for your support as we do the best we can to make Cypress Lakes a fun golf experience.

***Happy Thanksgiving!***

**Turf Tip:**

It is nearing time to put your mowers away for the winter. Be sure to fill the fuel tank and use a fuel stabilizer. This will prevent moisture from collecting and ensure longer engine life. Clean your mowers thoroughly to remove all clipping debris and buildup. Moisture collects in the buildup and causes mower decks to rust. During the winter months, sharpen mower blades and coat with a light film of oil to prevent rust.

*Andy*

**Hole in One!!!**

Chuck Lamotte made his first ace on #17 from 120 yards using a 9-iron. Shan Jackson, Bill Boyd, & Terry Reeves witnessed the shot.

**Congratulations!!!**

**Pro Tip of the Month**

I have always said that holding your swing follow-through fixes a lot of bad habits without having to think about it (balance & rotation are the two main ones). It also applies to your putting stroke. Try holding your follow-through with your putter for at least 2 seconds. This also helps if you have the yips.

**Good Luck! John**
