**Message from the General Manager &
Head Golf Professional:**

John H. Childs, Jr.

johnchilds@cypresslakesgolfclub.net

New Golf Cart Update:

We have been informed that there is still an extreme backup on parts and we will only be receiving a partial shipment this year. We will continue to do the best we can to keep our current carts in the best condition as possible. It is very frustrating for everyone. Thank you for your continued patience.

We are missing quite a number of coolers and range baskets. Please return any you may have and remember no range baskets or coolers should be taken off property. Thank you.

Please help us keep the course in great shape by keeping your carts on paths around tees and greens. The Bermuda grass will be going dormant soon and cart traffic will create very tight lies throughout the winter months.

Happy Thanksgiving!!

Rule of the Month

While putting, your ball accidentally hit one of your playing partners not paying attention. What's the rule?

Rule: 11.1b exception 2

The stroke does not count and the ball must be replaced on the original spot and replayed.

Know the Rules

(NEW) Friday Dogfight

Play in your regular group

\$3 entry fee

(payout in shop mdse credits)

(MUST HAVE A GHIN HDCP)

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

Over the next few weeks we will be over seeding our tees. Light frequent irrigation is needed until the seedlings have rooted. Since we are heading into fall and the Thanksgiving season, I am thankful for the staff that we have. We have some excellent people who care about the course and help me out tremendously. We also are very thankful for your patience and support while we have been through many storms this past season. We will be starting our winter projects soon and will do our best to make Cypress Lakes a fun place to play. Happy Thanksgiving!

Turf Tip

It is nearing time to put your mowers away for the winter. Be sure to fill the fuel tank and use a fuel stabilizer. This will prevent moisture from collecting and ensure longer engine life. Clean your mowers thoroughly to remove all clipping debris and buildup. Moisture collects in the buildup and causes mower decks to rust. During the winter months, sharpen mower blades and coat with a light film of oil to prevent rust.

Andy

Re-scheduled Dates

The **Club Championship** new dates Dec. 3rd & 4th. Get signed up before it is full. It is now required to have a GHIN handicap to play in Club events. Otherwise, you will have to play to a scratch handicap. The fee is only \$20 per calendar year and either myself or Becky can get you started.

Always play READY GOLF.

Pro Tip of the Month

**How to
Repair a Ball Mark**

A ball mark repair tool is recommended, but other pointed devices can be used (tee or knife). Push don't pry, starting from the back and sides, gently push and stretch the turf to the center of the mark. Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly. Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

Let's keep our greens in great shape.

Visit our website for past tips:
Cypresslakesgolfclub.net

**LGA Wednesday
Play Day**

“Lemon Drop”

1st Bobbie Fletcher, 2nd Ava Rich,
3rd Paula Austin
