It is now required to have a GHIN handicap to play in Club events. Otherwise, you will have to play to a scratch handicap. The fee is only \$20 per calendar year and either myself or Becky can get you started. The **Club Championship** is coming up Oct. 29th & 30th. Get signed up before it is full.

NEW DIVISION THIS YEAR:

Super Legends (Men 80+) play #5 tees.

PLEASE, PLEASE, PLEASE

Do not take range balls or baskets off property. It is NOT ok to get a basket, hit some of them, put the rest in your car to come back and hit later. We are having to re-purchase too many buckets and range balls.

**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

October is my favorite month. The weather is usually favorable with mild temperatures. It's a great time to enjoy golf or any outdoor activities. This year we will not be overseeding our greens. Being able to apply herbicides to keep Poa annua to a minimum is an added advantage of not overseeding. We are still planning on overseeding all tees with Perennial ryegrass.

As the temperatures start to drop and our warm season grasses slow down in growth, we will start on clean up projects. Thank you for your continued support as we do our best to make Cypress Lakes a fun place to play.

Tip of the month

If you overseed, the next 6 weeks are the best time to do it. Avoid high nitrogen fertilizer. Instead fertilize with higher rates of potassium.

Andy

Rule of the Month

When playing from the tee box, only the ball must be in the teeing area (two club lengths back from the tee markers). Your feet can be outside the teeing area.

Pro Tip of the Month

Do you think you might have a rotation and/or balance problem? Here is a drill that will help if you do.

“Feet together drill”

This works with any club but tee it up. Set up to the ball like you normally do, then bring your feet together to a clubhead width distance apart. Then swing and finish holding a normal follow through (the heel of your back foot should be pointing to the sky). If you wobble or fall down, you definitely have a rotation and balance issue.

Continue doing this drill until you can maintain a proper balanced follow through. Then apply this proper balanced follow through to your full swing. I promise you will hit more solid shots.

Good Luck! John

Congratulations!!!

David McCartney aced #4 using a 7-iron from 153 yards. Kirk O’Neil and Dr. Bob Cowan witnessed.
