**A word from your Golf Course
Superintendent: Andy Woolston**

andywoolston@cypresslakesgolfclub.net

So far this has been one of the colder winters I have seen since I have lived in this area. Our Bermuda is very dormant and unable to recover from any damage. Please help us by staying on cart paths when wet and also avoiding wet areas that are not roped off.

Thank you to those that have used the mats as they are meant to be used. I know we all would prefer not to use the mats. Due to the influx of play, to sustain a quality driving range tee, the use of mats during the winter months is now a necessity. If we do not leave a decent base, it will take most of the summer to grow it back.

Our crew has been busy working on detail work along with equipment repair and maintenance. I want to publicly thank our maintenance crew for the work they do this time of year. Many days they are working in cold wet conditions. Thank you to those who encourage them with compliments as they are working.

Help keep the greens smooth by not shuffling your feet and tapping down any marks before leaving the green.

We will do our best to make Cypress Lakes a fun place to play golf.

Turf Tip of the Month

Now is the perfect time to get ready for the upcoming growing season. It is pruning time for most trees and bushes. Get soil samples sent in if you have not already done so. Start applying pre emergent herbicides to control crabgrass. 0-0-7 with Prodiamine is a good example.

Andy

CONGRATULATIONS!!

12 year old *Noah Johnson* got his first hole-in-one on hole #17 from 76 yards with his driver.

His grandmother Dorothy Johnson, Price White, and Drake Morris witnessed this rare feat.

Rule of the Month

Question: What does the "General Area" mean?

Answer: The "General Area" covers the entire golf course except four specific areas: the Teeing Ground, Penalty Areas, Bunkers, the Putting Green. Certain Rules apply specifically to these four areas of the course that are not in the general area.

Rule: 2.2b

Good Luck! John

Etiquette 101

Don't be THAT guy (a necessary repeat)

The guy that no one likes to play with. The guy that is having a bad day and makes sure everyone else in the group is miserable. The guy that plays slow and everyone else in the group has to play faster to make up time. The guy that complains about everything and blames everything other than himself for his bad shots. Golf is to have fun, even as frustrating it can be. A bad day on the golf course is better than any day at work!!

Enjoy the game.
